Civic Group Gives to Project Lifesaver

The Pilot Club of Hampton Roads is a community organization that supports people with brain related disorders. On March 13th, the club held its Civic Night at the Arbors in Port Warwick. Members of the Pilot Club presented the Newport News Sheriff's Office with a financial gift for its Project Lifesaver program. Project Lifesaver is a state-of-the-art rescue program aimed at people diagnosed with a variety of mental disorders such as Alzheimer's Disease, Down Syndrome and Autism. These individuals tend to wander and become disoriented. Project Lifesaver is designed to bring loved ones home in a timely manner.

The Newport News Sheriff's Office is one of only a few Hampton Roads agencies which offers Project Lifesaver FREE of charge. It is thanks to generous donors that they are able to do so. The Pilot Club of Hampton Roads is one of those generous donors.
