Senior Citizens Benefit
from City TRIAD Partnership

TRIAD is a partnership between senior citizens, law enforcement, fire and other governmental services. The aim is to share information on how seniors can avoid becoming victims of crime and enhance the safety and quality of their lives.

TRIAD originated between AARP, the National Sheriff's Association (NSA), and the International Association of Chiefs of Police (IACP). The Newport News Sheriff's Office is a proud member of TRIAD.

On Wednesday, August 22, several city departments and organizations came together to sign a cooperative agreement demonstrating their commitment to ensuring seniors have a healthy, happy, and rich life in the City of Newport News.

Agencies represented in the signing ceremony were: Department of Human Services; Office of the Attorney General; RSVP (Retired Senior Volunteer Program); Newport News Police Department; AARP; Newport News Fire Department; Newport News Parks, Recreation & Tourism; Peninsula Agency on Agency; the Newport News Sheriff's Office.
